2. SELECT

SELECT PROGRAMMES

All our programmes are Select Programmes.

We select school to meet your needs and provide full details to you help you consider the options.

You select the school you would like to attend and only make a commitment after an offer from the school.

3. SECURE

We help you through every step to secure a placement at your chosen school

SELECT STATE SCHOOL PROGRAMME

Application steps include:

- Section B application papers
- School's application included
- Interviews are mostly required to discuss subject options.
- A Secure English Test is required for all placements of 1 or more years

SELECT PRIVATE SCHOOL PROGRAMMES

A bespoke application with our personal recommendation giving you the best chance to secure a place at the school.

- Interviews are mostly required
- Entrance tests are sometimes used

VISAS

For study periods up to six months:

- a visa is not required for EU students and for most non-EU students (we will advise non-EU students if they require a short-term study visa)
- the school will normally set their own English assessment if they decide this is necessary

For study periods over six months:

- all students require a student visa
- a conditional is made prior to you providing evidence of an average score of 5.5+ in a UKVI Academic IELTS English test
- A further deposit towards the course fees is required in May to allow the school to issue the CAS for your visa application
- the visa process is completed during the final three months before you arrive which we will help advise you about
- the external costs for the visa include the English test, the visa application, and the Immigration Health Charge

APPLICATION – SECTION A – UK SCHOOL PROGRAMME

PLEASE COMPLETE THE FORM IN CAPITAL LETTERS AND BLACK INK

SECTION A – to be completed in full prior to schools being recommended
– supply to rachel@barnes-educational.co.uk with a copy of your latest school report
